Challenge

Hiring the right people for the right job is challenging in organizations struggling with high turnover rates.

Opportunity

The quality of the services you provide depend directly upon the quality of your hiring practices.

Solution

Partnering with Skillssoft®, Relias helps equip managers with immediately applicable hiring skills using award-winning content.

Feature	Benefits
Award-winning content	Train managers with the same courses used by Fortune 100 companies
Real-world scenarios	Prompts users to interact with the course, for a learning experience that engages and boosts memory retention
Key messages	Builds confidence in managers to screen, interview and select the right candidate for the right role

Reducing turnover and hiring based on best practices is now a problem that can be easily solved.
